L. H. S. WINS BY ONE POINT

And the Higginsville Men Protest, Saying they Won, 10 to 6.

Despite their opponents' ineffectual attempts to win the game by dubious machination the Lexington High school football team was victorious over the team representing the educational institution at Higginsville Friday by a score of 6 to 5.

Of course both sides have their tales to tell, but the Lexington testimony is believed here. The contract made among Dr. Chalkley, the official timekeeper, Mr. Laidlaw, a teacher at Higginsville, Dr. Payne, official referee and Capt. Becker and Bargian, of the Lexington and Higginsville teams respectively, was heard by some of the spectators and was explicitly this: that the teams would play two 20 minutes halves if possible; but would in any case stop at 4:30 o'clock to enable the Lexington boys to catch the train. During the first half both teams scored a touchdown, and Lexington kicked a goal, giving that team an advantage of one point. The squabbling never ceased during the entire game, some of the Lexington men being openly insulted, but the dramatic climax, which is the cause of all the controversy, came when time was called, per agreement, with Higginsville holding the ball on Lexington's 25 yard line. According to the stories of several who saw Dr. Chalkley's watch, the hand pointed exactly at 4:30 o'clock. When the referee blew his whistle, announcing the end of the game, the Lexington boys started from the field. But Laidlaw in his melodious, high keyed voice waved his hat like one possessed and yelled "Play it out, you have three quarters of a second yet." Accordingly one of the Higginsville team grabbed the ball from the referee's hands and opposed by no one made a touchdown, exactly one minute after time was called. Dr. Payne, acting in his capacity as referee, gave the game to Lexington by the score of 6 to 5. Then pandemonium reigned. The unsophisticated mob belled out its displeasure and surrounded Dr. Payne with Igorote looks upon their faces. He escaped with only a few scratches, however. The final score was 6 to 5 in favor of Lexington.

Would Mortgage the Farm.

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25 cents at Crenshaw & Young's drug store.

F. T. Hix went to Kansas City Tuesday morning on business.

T. C. Sawyer went to Kansas City Tuesday morning on business.

Chris Walk went to Kansas City Tuesday morning to spend the day.

Ruford Gordon went to Dover Tuesday to attend the wedding of Fred Pittman, of Kingfisher, Oklahoma, and Miss Willie Hodges of Dover.

Finest things made for rheumatism, chilblains, frost bite, sore and stiff joints and muscles, all aches and pains. 25c, 50c and \$1.00 a bottle. Sold by Crenshaw & Young.

Mrs. M. T. Slusher and daughter, Mrs. John D. Slusher, and the latter's infant son, John, Jr., left Monday for an extended trip to New Mexico, Texas, and Oklahoma.

Mrs. W. A. Haywood, who has been making a visit with her parents, Capt. and Mrs. Frank Thornton in this city, left Monday evening for her home in Tacoma, Nebraska.

While Kennedy's Laxative Cough Syrup is especially recommended for children, it is, of course, just as good for adults. Children like to take it because it tastes nearly as good as maple sugar. Its laxative principle drives the colds from the system by a gentle, natural, yet copious action of the bowels. Sold by Crenshaw & Young.

Nick Hall, a former football star of Wentworth and later of Missouri—the last team, by the way, that beat Kansas—came through Lexington Monday in a Dorris touring car. He was accompanied by Mr. and Mrs. Limerick of Savannah and Mr. and Mrs. Lanning of Kansas City. He is now connected with the St. Joseph Automobile company. He was a hard-footer at the Wentworth Washburn game.

Was Buried Here.
The body of Mrs. J. W. Jones, who died Sunday morning at 7 o'clock at her home in Cairo, Illinois, was brought here Monday morning for interment in Macphelah. Mrs. Jones' death was due to a complication of diseases and came after an illness of two weeks. Mrs. McGrew was called to Cairo about two weeks ago by the serious condition of her mother and was at her bedside at the time of her death. Mrs. Jones was for several years matron at Baptist college in this city. She is survived by her husband and two daughters, Mrs. J. C. McGrew, Jr., and Miss Quindara Jones, of Cairo. The funeral was held from the home of J. C. McGrew, Jr., Monday afternoon at 3 o'clock. Rev. B. B. Briley conducted the services.

Mrs. S. A. Vermillion of Higginsville spent Tuesday here with Mrs. F. L. Carter.

Mr. and Mrs. C. L. Glasscock went to Kansas City Monday evening for a brief stay.

Miss Mary Edmonds returned Monday evening from a visit with relatives in Kansas City.

Where Traveling is Healthful and Instructive.

Have you been to Yellowstone Park? No? Then you have yet to see America's Greatest Wonderland, the scenic center of the continent. Everyone must know the geysers, the canyons and the mountains before they know America though they may have seen all else.

This summer an excellent opportunity is offered for combining with an outing in the mountains a pleasant journey to Yellowstone. The trip can be made through the heart of scenic Colorado—Pueblo, Colorado Springs, Denver, The Garden of the Gods, Pike's Peak, Glenwood Springs, Salt Lake City with its Mormon Temples, Ogden and Pocatello—to Yellowstone, the front gate of the great National Park.

The round trip rate is very low and good for return until October 31. You can stop over at any point in the scenic regions. The Missouri Pacific-Iron Mountain offers the choice of routes, and full information regarding rates and schedules are to be obtained from
